Air Power, Inc. Sealants, Adhesives, & Dispensing Equipment

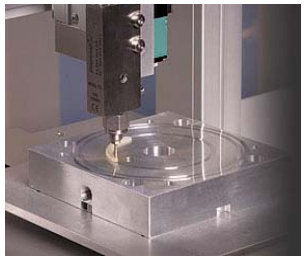
AIR POWER INC.

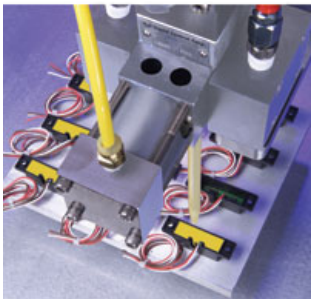
If your manufacturing operation involves:

ASSEMBLY **MACHINING**
FINISHING **HANDLING**

We have solutions you need...

- Single Component Extrusion
- Hot Melt Tank & Bulk Supply Units
- Hot Melt Stick Guns
- Powered Cartridge Applicators
- Robotic & Motion Control Systems
- Plural Component Metering
- Manual & Automated Dispense
- UV & LED Light Cure Equipment
- Accessory Hoses & Tips
- Needles & Nozzles





We can perform an audit of your production operations and help maximize results with properly specified equipment solutions.

Manual & Automated Dispense Equipment

- Syringe Dispensing
- Manual Dispense Valves
- Controllers for accurate dispense
- Automatic Snuff Back Valves
- Automatic TIP Seal Valves

Meter Mix Dispense Systems

- Tabletop Meter Mix System for potting
- Positive Displacement Meter Systems
- Gear Meter Systems

Extrusion Pumps

- Ambient pump systems for low to medium viscosity materials
- Warm melt system for medium to high viscosity material
- Hot melt systems

Accessory Hoses, Tips, Needles & Nozzles

Robotic & Motion Control Systems

- X-Y Tables
- Scara Robots
- 6-axis Robots

UV & Light Cure Equipment

- UV Light Cure Systems
- LED Light Sources
- UV & Visible Spot Systems
- UV Light Meters

Hot Melt Equipment

- Handheld Hot Melt Guns
- Hot Melt Tank Units
- Hot Melt Bulk Unloaders

Names you know...brands you can trust!

LOCTITE
ARO
GRACO | LIQUID CONTROL
GRACO
TAH
Sealant Equipment & Engineering, Inc.™
Manufacturers of Precision Dispense Systems & Valves
ITW Dynatec™
FANUC Robotics
SMC
COX – Quality Sealant Applicators –
Lamello

The information available here represents only a small part of Air Power's diverse product line. If you do not see the manufacturer and/or product you are searching, please contact Air Power for assistance with your special sealant and adhesive applications.

Our Service Department

Service and repair of all equipment we supply

- Factory Authorized Service
- Factory-Trained Technicians
- Genuine Factory Parts
- Warranty Service
- No Obligation Cost Estimates
- 90 Day Warranty on Repairs
- Common Service Parts In Stock

- Service Contracts
- Preventive Maintenance Repair
- Emergency Repairs
- Calibration Services
- Service & Maintenance Training
- On-Site Audits

Applications Lab & Demo Facilities
